From the Principal’s Desk

I would firstly like to thank our students who attended camp last week. The behaviour and manners were exemplary and made Meagan and I very proud. Everyone had a great time. Also thank you to Janine who held the fort while I was at camp. Included later in their newsletter is some writing about their experiences.

There has finally been some movement in the refurbishment of the office area and passage. In essence the quotes from the builders the department sought were ridiculously too expensive, well beyond the budget. So they have recommended we source local tradesmen to do the job. This means I am now effectively an owner builder and I have been busy getting quotes from carpenters, electricians, plasterers, plumbers, carpet layers, blind manufacturers and painters. I hope to have all the quotes by the end of the week and lodge them electronically on Friday. Should the department approve the quotes/works it is hoped the works will start on the holidays and be mostly completed before the start of term 3 - fingers crossed!

The scope of the works still needs to be within budget so the exact amount of works will not be finalised until I gather all the quotes and see how they add up. The department then has to approve everything. When the scope of works is approved I will include it in the newsletter.

Building Program

It is Ethan’s birthday today! We hope you have a great day. Teaching staff and parents met to discuss our reporting to parents protocols back in late April. The department has changed the rules around our ability to change the reporting process. At the meeting several changes were agreed and will be incorporated in to Junes reports.

Student Achievement Awards

Year P–2
Liam O’Brien - For making a huge improvement in learning his coloured words.
Year 3-6

Trivia Night

Ethan Campbell – Taking responsibility for his actions and belongings at camp.

Our fifth annual Trivia night has been confirmed for Saturday 9th August at ‘Seasons’ in Riddells Creek. As always it is a be a great night with lots of laughs and prizes. Put the night in your calendar. Further details in upcoming newsletters.

Due to school photos and the curriculum day falling on Fridays, the next two Fridays will the Stephanie Alexander Kitchen days, yum!

Birthdays

We require parent helpers on both days. See Meagan or Janine if you can help.

June student progress reports

It is Ethan’s birthday today! We hope you have a great day.

Curriculum Day

removal of the what the school will do and what parents can do at home sections. In place will be a list of discussion points for interviews. An example of how the report will look is included with the report.

After lunch we worked on the ‘Self evaluation tool’ for the new Strategic Plan which will be devised later this year. This will be shared with School Council tomorrow night.
School Council

School Councillors are reminded that our next meeting is this Wednesday 11th June at 7.00pm.

Reading Awards

Congratulation to the following students

Nea Ferraro - 50 nights
Hunter Collins - 50 nights

Camp diaries

I think I liked the mini disco even though we were not meant to have it. (Before the mini disco we had a skit night.) The reason we had the mini disco was because the camp fire wouldn’t light. We had about 4 songs and then we went to bed. So that was what I liked at camp. Lauryn

Camp was AWESOME! I liked going to the lighthouse and climbing up the steps, there were 120 STEPS in the lighthouse. The steps were spirally, I got really dizzy when I was climbing the lighthouse. When I got to the top there was a kid who looked down the spirally steps and got scared. The scary. Harreson

On camp I went on a long walk to the rock pools and the light house. When I was looking in the rock pools I didn’t find any sea creatures, but I found lots of sea weed. I was the last group to go into the light house. Once we saw the sea snails and shells I was happy. Once we had to climb one hundred and twenty stairs! It was really high it made every one look small. Tana

At camp we went to the rock pools. We saw a lot of shells and sea snails. I didn’t find any animals apart from sea snails. We had four groups. Then it was my turn to go up to the light house. We had to dimb one hundred and twenty stairs! It was really high it made every one look small. Tana

When we went down to the rock pools we were looking for creatures but all we could find was sea snails but I found one with a really cool shell. I went looking for rock pools and I found a really huge one and I almost fell in. We went to the lighthouse next and it was really high and when I got to the top I got dizzy so I walked down. Zoe

Today I’m going to talk about the rock pools at the beach. The rock pools had lots of shells in it. Lili and I didn’t find any animals. I did the biggest sand castle too. I found a sea shell while digging. I saw lots of sea weed. I tried to find a star fish but I didn’t. Nysa

OMG, camp was so FUN!!! My favourite part was GA, GA was LOCA, LOCA. First camp I was REALLY nervous. I mean camp wasn’t bad or anything it was awesomeness. I was having so much fun I couldn’t think what the juniors were doing at school. I also was enjoying it because we had a skit night and a party that was the best. Jenna

Boland Primary School went on camp and the best part for me was when we went to the beach. We all walked on the beach in our gumboots and saw sea shells. We watched the waves in the sea and had a great day. Ethan

Jenna
