It has come to our attention that there have been several recent situations where students have been exchanging or sharing food with other students.

This practice is strictly forbidden. We have several children with food allergies where there could be severe reactions to some types of food or particular ingredients. We have a 'no nut' policy and any food containing nuts should not come to school.

Parents make decisions as to the type of food they want their children to eat. Students are not to ask other students for more ‘attractive’ in their eyes, snacks which contain high levels of sugar.

We have taken the decision that all food eaten at school will now be supervised by teachers in their classrooms and no food will be eaten outside. If possible we would like to see sugary snacks not brought to school.

P - 2 Thomas Hodgson - For his extremely neat writing about the weekend.
3 - 4 Lili Taylor - For being an extremely kind and respectful student who is always helping out her fellow classmates.
5 - 6 Ethan Campbell - For his efforts to improve his writing.

We have a Bunnings BBQ scheduled for this Sunday 17th May. We will require parents to help on the day setting up, handling money, serving customers and cleaning up at the end of the day. We will have four shifts which would only require parents to stay for two hours.

We still require one helper for the 10.30 am shift.

See John if you can help ……………please!

The cross country has been re-scheduled for Tuesday 19th May. See Meagan if you have any questions.

Congratulations to the following students
Fynn Collins - 25 nights
Amelia Hodgson - 25 nights
Nysa Males - 25 nights
Lili Taylor - 25 nights
Bayley Horton - 25 nights
Ryan Brawn - 75 nights
Dakota Harris - 50 nights

Congratulations to Nysa Males.

The school will be supporting the Cancer Council’s ‘Biggest Morning Tea’ on Thursday 21st May from 10.30 am -11.30 am.

We would like as many parents, grandparent, friends, neighbours and people from the local community to attend.

We intend to use the Bolinda Hall and have the biggest morning tea we can possibly muster. A ‘what to bring’ list and invitations you can give to others has been previously included with the newsletter. See Meagan if you have any questions or a what to bring list.

At the moment we only have six responses.
Happy birthday to Harreson for next Monday. We hope that you have a great day.

Could parents of year six students please return the transition form indicating your secondary school preference by next Friday 22nd May.

Naplan tests for year three and five students began today with the Language Conventions and Writing tests completed. Reading will be conducted tomorrow and Numeracy on Thursday.

We have been able to secure the services of Bianca Pratt for our curriculum day on Friday 5th June. Bianca is a visiting teacher specialising in spectrum disorders including autism. She will also be demonstrating strategies for students with learning difficulties.

At the time of printing the newsletter, the weather looks okay but it is only 10 degrees, very windy and on checking the radar there looks to be some rain on the way. If we decide not to work tonight, we will re-schedule to next Tuesday night 19th May.

Current Practices when using Student Images

Images of students are an integral part of the school curriculum. In general, student images are used to

- Record student participation at school and in school events
- Celebrate student effort and achievement
- Promote the school and events held by the school.

At Bolinda Primary School we like to celebrate the efforts of our students by mentioning their participation in school events in our newsletter. On occasion photographs of the students are included. Class activities, students work and performances are photographed or recorded on video. We also use photographs of students in our school’s marketing. Digital images of students, activities and performances are saved on the school intranet.

Find attached to the newsletter a consent form for using student images.

It is most important that this form is returned as soon as possible.
