Camps

Camp Sunnystones
It was very disappointing that it rained for two of the three days we were at Camp Sunnystones. We have negotiated with the camp to have a catch up day on Monday 9th December. We will be asking parents to make a contribution to the bus cost. School Council will subsidise part of the cost.

Camp Wyuna
We have booked our 2014 year 3-6 camp to Camp Wyuna in Queenscliff from Wednesday 12th to Friday 14th February. Although this is an adventure camp we will be studying marine life, visiting the marine centre and beach games amongst other possibilities. We have been to two adventure camps in the last two years so we are looking for something different.

We have been able to secure this booking in February when we would expect warm weather. As with booking any seaside accommodation, the cost is higher during summer. We have yet to book a bus but we expect the total cost will be close to $200. We know this is a little more expensive than previous camps but we believe this will be an excellent experience for our students. Therefore we are giving plenty of notice for parents to budget. The permission form and $20 deposit needs to be paid by 22nd November. The permission form is on the website.
**Sink or Swim**

Life Saving Victoria will also be visiting the school on Monday 25th November with their ‘Sink or Swim’ presentation. The theme for this program is safety around water, the program is free.

**Working Bee**

We will have another working bee next Tuesday 19th November after school. This will be reasonably brief. We need to weed the garden beds at the front of the school trim some over hanging trees/plants and remove debris from the side on the classrooms. Bring gloves, shovels and secateurs.
