The results of the parent opinion survey were shared with the school community last term. The results were extremely positive. DEECD has developed a new staff opinion survey (the old one was awful!) and the results were released for our school last week. All the components were completed by the teaching staff and some components are completed by Student Support Officers (SSO’s) Gayle & Debbie as teacher aides and Katie as business manager.

The teaching staff began analysis of the results at our staff meeting last night. Being a new document and very different form the Parent Opinion Survey, it will take a little time to come up with any recommendations for any actions or improvement. We will keep you posted.

We are always indebted to parents and staff who freely give of their time to help the school. Two weeks ago the belt for the mower shredded itself. The Boncici’s had a replacement made and Matt spent considerable time installing it. (apparently it is quite a difficult task)

Last Tuesday while talking to Matt about the mower we discovered that the pump in the pump shed was going flat out and the surrounding areas were flooded. I called Dean Burley, Gayle’s husband who is a plumber who was onsite in about an hour, found the cause was a split pipe, repaired it and left before I had much of a chance to thank him.

Also as I mentioned last week, Jane Horton and Danielle Keogh rolled up their sleeves and helped with SAKG last Friday. It would not have happened without their help.

Thank you to all these people and everyone else who has helped during this year. Your efforts are very much appreciated.

The excursion to the Melbourne Museum is tomorrow Wednesday 19th November. We will be travelling by bus leaving at approximately 9.15 am and will return before 3.30pm. Students will need to bring playlunch, lunch and a drink.

Book Club

Orders are due by this Thursday 20th November. We have been approached by a music lessons company who are prepared to offer guitar or keyboard lessons at our school. A flyer has been included with the newsletter. If you are interested do not register. If there is enough interest we will need to discuss with parents whether we offer keyboard and whether we stay or move from the current guitar company. We will need to make the decisions in the next week or so. See John if you are interested.
