We will be having a big working bee next Thursday 9th June after school. We will need to do the plantings, put down the weed mat and spread the gravel. (We are not allowed to have mulch or something similar as it could be flammable.) It would be great if we could again get five or six parents to help out. If so, this project should be finished on that afternoon.

We are planning an excursion to the National Sports Museum at the Melbourne Cricket ground on Tuesday 21st June. This will be part of our theme on the Olympics next term. See the attached permission form and details.

Sunbury Stock Feeds  
Could the P-2 students be able to bring a plain white sock next Tuesday for art. Janine (Miss D)

Sunbury stockfeeds are proud to have the opportunity to donate two bales of straw and a bale of Lucerne hay for the children's vegetable garden. Trish Polster worked tirelessly to secure this offer of hay discussed with Meagan.

The next SAKG will be this Friday 3rd May. Teachers are currently completing student progress reports. They will be sent home to parents on Thursday 23rd June. Formal parent, student, teacher interviews will be conducted in early term three. Parents are reminded that they can request an interview at anytime, just make an appointment with your child’s teacher.

We have advertised a position to replace Renee and will be interviewing applicants next Tuesday 7th June. The new teacher should be in place for the start of term three.

We have accepted a quote from Sunbury Heating & Cooling to install new split system heaters in the library/music room and the art room. The installation was completed yesterday. Thanks to Dean Burley for his extremely competitive quote.
