Finally it appears that the issues with guitar lessons have been resolved and they will begin next Tuesday.

We are negotiating a substantial reduction in the fees for the guitar lessons this term, likely to be about half the proposed $80. Stay tuned………!

After sharing this information with parents at assembly this morning, should Music Stars not begin the guitar lessons next Tuesday we will terminate them for guitar and pursue guitar lessons with another company.

I had a phone call from Carolyn our cleaner who also feeds and looks after Sooty our school cat. She informed me that Sooty was not very well on the holidays and then had disappeared. She was found under the Bolinda Hall. Carolyn believes dogs had been around the school and she was a scared of them. She decided to take her home to look after.

She has settled in well and is enjoying a much easier life indoors. At 14 years old, Sooty is now too old to fend for herself as well as she used to and we agreed that she would be best looked after by retiring permanently to Carolyn’s home.

Happy birthday to Ryan. We hope you have a great day.

Happy Birthday
