You may have noticed that the railing on the deck outside the classrooms has been painted over the weekend. This work will be completed in the next few days. Thanks to Daniel Ruzicska.

Also thank you to Glenn Langdon and Stephanie Coy who attended the working bee to last Friday night to finish off the last of the lillydale topping around the beds – we almost made it! There is just a small amount left to be covered. This will be completed in the next week or so.

The mural outside the office has been completed thanks to Janine and Tuula as well as all the students who were involved. I have also begun oiling the deck outside the classrooms.

Student achievement awards

Year Prep—2
Keira Watts — For great improvement in her handwriting.

Year 3-6
Cassie Davies — For continuing to strive to improve her work in maths.

Mathletics awards
Lili Taylor – Bronze Certificate
Harreson Watts – Bronze Certificate

Reading awards
All for 50 nights of reading
Talitha VanDerWeerden
Jack Ruzicska
Jenna Honeychurch
Netbook cable

One of our students in the senior class can not find the cable to charge her netbook. We suspect someone accidently picked it up thinking it was theirs. Could parents of the students in the senior class please check that their child has not accidently picked the cable up and they now have two. If so, can it please be returned.

Music lessons

We have had an offer to have guitar and violin lessons for students conducted at our school commencing in term 3. Further information, cost etc. are yet to be confirmed. At this stage we would like expressions of interest from parents. This does not lock parents into any commitment. Could the expression of interest form attached to the newsletter be returned by Friday 3rd May.

If we have parents who would like these lessons we will make further enquires and establish cost, times and frequency.

Stephanie Alexander

I met with a man from the Gisborne Men’s Shed at the school last Wednesday. He took measurements of the shed and is going to design the kitchen cupboards/workstations.

As soon as we get the design, we will start to source kitchen furniture. I have also put an article in the next Romsey Rag which comes out next week asking for donations of equipment.

Free Stuff!

After cleaning out the shed there are a number of items at the back of the school which are no longer required. There are chairs, display boards, shelving, a weaving loom and other assorted items. Parents may take any items they wish. The rest will be going to the tip.
