Yesterday all students participated in the ‘Sink or Swim’ water safety program conducted by Life Saving Victoria. All students received a ‘Water Safety Guide’ and a pen. The school received a book for the library ‘A History of Life Saving Victoria’. The book was presented to Cassie and Luke by Lifesaver Michelle.

The things I learnt at Sink and Swim.
To make sure you stay in between the flags That lifeguards dress in yellow and red.
To stick your hand up and pull a fist when you need help in the water.
To Look Before You Leap.
If you’ve got something to rescue someone in the water, go on your belly.
Don’t swim alone.
If you can see the lifeguards, they can see you.

I loved Sink and Swim and hope it will come back again soon. Tahlia
