We hope everyone had a good break and are ready for a busy term 4. The windy weather during the holidays brought down several large branches. One tree was snapped completely at head height. Thanks you to Glenn Langdon for cutting and removing the branches at very short notice.

Happy birthday to Chloe for last Thursday and Declan for this coming Thursday. We hope you had/have a great day.

The astronomy night has been rescheduled to tonight **Tuesday 8th October** at 7.30 pm sharp. The cost is $10 a family. Some families have already paid. If you haven’t we will collect the money tonight.

As a part of the Stephanie Alexander Kitchen Garden program we are looking for some items you may have lying around the house. If you could help us that would be great, there is a box in the office for your kind donations.

This week could you please put salad servers and serving platters into the SAKG box.

Thanks Janine

As part of the SAKG program we require volunteers to help it run. We require volunteers for both the Kitchen and Garden sessions which will run on Friday mornings between 9.30 – 11.00 and 11.30 – 1.00

If you are interested in volunteering can you please let either Janine or Meagan know by next Monday.

The annual athletics sports day with Clarkefield PS & Darraweit Guim PS is on 30th October at Bolinda PS. Parents are encouraged to attend. Further details in upcoming newsletters.

Thank you to the parents who fed sooty and the chooks over the holidays. They said thank you!

With the recent warm and wet weather we have had a grass and weed explosion. John mowed the grass last Friday and four days later it looks like it needs to be done again! We propose a working bee next **Tuesday 15th October** straight after school. We need to generally weed around trees and fence lines. Some weeds and grass have also sprung up in the vegie garden. It would be good to remove them before they take over as has happened in the past. Please bring line trimmers, gloves, shovels, rakes, secateurs etc.

Bolinda Primary School is a Sunsmart school. All students must wear a wide brimmed hat or legionaries style hat which protects the neck in terms one and four. Caps are not acceptable. Students who do not have an appropriate hat will be asked to play in the green area which is shaded. Sunglasses can also be purchased from the school for $10.

Parents are reminded that our next curriculum day is Monday 4th November. Students will not be required at school on this day.
Breakfast is Back At Soltan Pepper
For A Limited Time Only!
