There are several families who have yet to pay fees for this year, the netbook program and/or for some incursions and excursions.

Statements were sent home last week.

Several families would be able to pay with CSEF funding which has not yet been expended.

Please see Katie if you have any queries, she is here on Tuesdays and Thursdays.

Thanks you to the parents who have already donated prizes, it is much appreciated.

We have been alerted that there has been an outbreak whooping cough and diarrhoea in schools in the Macedon Ranges.

Please watch your children carefully for any symptoms and seek medical attention. Should your child become ill, please do not send them back to school until they have completely recovered.

I have been told that one of the larger schools in the Macedon Ranges had over 100 children absent one day this week.

Please be vigilant!
