

2021 Parent Payments

5th November 2020

Dear Parents and Guardians,

Bolinda Primary School is looking forward to another great year of teaching and learning and would like to advise you of Bolinda Primary School's parent payment arrangements for 2021. Please find attached the fee schedules for each classroom.

The Department of Education and Training (DET) has revised the Parent Payment Policy to allow for greater transparency of costs for all Victorian schools. Changes include itemised stationery list, breakdown of Essential Student Learning Items and a further breakdown of suggested Voluntary Contributions. This will allow families a greater opportunity to see how the parent payment enhances their child's school experience. Bolinda Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Financial Support for Families

Bolinda Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- Camps, Sports and Excursions Fund,
- State Schools' Relief – uniform relief,
- Parent Payment plans are available

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact Jayden Andrea - Principal or Katie Duoba – Business Manager Ph: 03 5428 5317 Email: bolinda.ps@education.vic.gov.au

Payment Methods

The preferred school payment method is BPAY. Family statements that will be issued in 2021, and will have your family biller reference codes.

Refunds

Refunds will be considered on a case by case basis and if approved will be credited to the family account/statement for future use. Bolinda Primary School has the discretion to provide refunds to families and may do so where it is reasonable and fair, e.g. if the school has not incurred a cost). All Voluntary Contributions are non-refundable. For further information please refer to the one page overview.

School uniform is now available through Beleza in Gisborne. A price list is attached and also available on our website.

Yours sincerely,

Jayden Andrea
Principal

School Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

The following is a summary of the main principles of the Parent Payments Policy:

FREE INSTRUCTION

- Schools provide students with free instruction to fulfil the standard curriculum requirements as outlined in the Victorian Curriculum F-10, VCE and VCAL.

PARENT PAYMENT REQUESTS

- Schools do not ask parents to pay for school operating costs (e.g. utility costs) or general and unspecified charges.
- Schools request payments from parents under three categories:

Essential Student Learning Items

- Items and activities which the school deems essential for student learning.
- Parents may choose to purchase essential items through the school or provide their own.

Optional Items

- Items and activities that enhance or broaden the schooling experience of students and are offered in addition to the standard curriculum.
- These are provided to students on a user-pays basis.

Voluntary Contributions

- Voluntary contributions support the school to continue to be the best local school for all students and can be for general or specific purpose.
- Students will not be disadvantaged in any way if parents do not make a contribution.

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools obtain school council approval for their parent payment arrangements and upload their arrangements on their school's public website for transparency.

Please complete this form and return to the school by Friday 11th December 2020 so the school can prepare accordingly. 2021 Parent Payment is required to be paid in full by 16th September 2021.

Please find the itemised list of Essential Student Learning Items and Optional Items for your child. Bolinda Primary School also continues to welcome your voluntary contributions for 2021.
